### **TOPIC 1**

## **THE ROAD TO INDEPENDENCE IN EAST AFRICA**

Independence refers to political, economic and social freedom of any country from foreign rule.

A foreigner is a person who comes from another country for a specific (particular) reason.

The following are groups of foreigners who came to E. Africa.

Traders (Arab traders)

Missionaries

Explorers/ European explorers

Settlers

Administrators/ colonialists.

### **FOREIGN INFLUENCE IN EAST AFRICA**

#### **COLONIAL PERIOD**

This was the period of existence of foreigners in East Africa.

East Africa received four groups of foreigners and these were;

- Traders
- Missionaries
- Explorers
- Colonialists/administrators

#### **TRADERS**

Trade is buying and selling of goods and services. Therefore traders are people who buy and sell goods and services.

#### **Groups of early traders**

- Arab traders
- Indian traders
- European traders

#### **ARAB TRADERS**

These were the first foreign group of traders to come to East Africa

Arab traders came from Saudi Arabia and Persia

**Qn.** What means of transport did the Arab traders use to come to East Africa

2. How were the monsoon winds of great use to the Arab traders?

#### **Reasons for the coming of Arab traders**

- Arab traders came to trade.
- To spread Islamic religion
- Some were running away from religious conflicts.

### **EARLY FORMS OF TRADE**

#### **BARTER TRADE**

Barter trade is the exchange of goods for goods and services

Barter trade was carried out because there was no any form of currency

#### **Advantages**

- ✓ Barter trade does not involve the use of money.
- ✓ Barter trade promotes friendship.
- ✓ Barter trade helps to get goods you don't have.
- ✓ There is no problem of currency differences.

#### **Disadvantages**

- ✓ Barter trade encourages cheating
- ✓ Barter trade is not portable for long distances.
- ✓ Perishable goods cannot be kept up to the time of exchange.

- ✓ It's difficult to get customers for goods due to equal wants.

### **LONG DISTANCE TRADE**

Long distance trade was the type of trade carried out between the people of interior and coastal people of east Africa.

The trade involved moving long distance from the coast to the East African interior.

### **TRADE ITEMS**

#### **Exports (items from the interior)**

- Slaves
- Hides and skins
- Ivory
- Gold (minerals)
- Salt
- Rhinoceros

#### **Imports (goods from the coast (from Arabs))**

- Guns
- Clothes
- Mirror
- Glassware
- Ornaments
- Knives
- Carpets

### **Participants in the long distance trade**

- |           |            |         |
|-----------|------------|---------|
| - Baganda | - Nyamwezi | - Yao   |
| - Banyoro | - Kamva    | - Itche |

### **Problems faced during the long distance trade**

- Traders moved very long distances.
- Poor transport and communication network
- Highway robbery
- Language barrier
- Food and water shortage on long distances.

### **Effects of long distance trade**

#### **Positive**

- Kingdoms became powerful and strong
- It led to development of the interior towns.
- Interior people got goods from foreign land.
- Africa people gained wealth.

#### **Negative**

- It encouraged slave trade
- East African resources were over exploited.
- It created tribal wars and hatred.
- There was loss of culture and identity
- Families were broken up.

### **SLAVE TRADE**

**Slave trade** is the buying and selling of human beings

**Slavery** is the total exploitation of a person by another.

**A Slave** is a person who is a property of another person.

### **Why was slave trade carried out?**

- Arabs wanted slaves for domestic work.
- To work on tea and sugar plantations.
- Slaves were a source of income.
- Slaves were to help in carrying goods.

### **Methods of obtaining slaves.**

- |                         |                            |
|-------------------------|----------------------------|
| - Through barter trade. | - Through raiding villages |
| - Through capturing.    |                            |

### **Participants (chiefs and kings)**

|                               |   |                |
|-------------------------------|---|----------------|
| Chief Mirambo                 | } | African chiefs |
| Nyungu ya Mawe                |   |                |
| Ntemi Fundikiri               |   |                |
| Munyagumba and his son Mkwawa |   |                |
| Khartoumers                   |   |                |
| Ahmed Bin Muhammed            | } | Arabs          |
| Abu Sand                      |   |                |
| Said Bin Abibu                |   |                |
| Msiri                         |   |                |
| Abdullah Bin Naribu           |   |                |

### **Indians and Americans**

The main slave markets in East Africa were Zanzibar at the coast and Tabora in the interior.

### **Effects of slave trade.**

- Africa lost its labour
- Many families were broken up.
- Many people died

(Others similar to long distance trade)

### **Abolishment of slave trade**

The abolishment of slave trade was taken under steps termed as treaties.

### **THE MORESBY TREATY**

This was signed between Captain Fairfax Moresby governor of Mauritius and Seyyid Said of the Sultan in 22/9/1822

#### **Terms**

- Protect East Africa people
- Prevention of Arab slave traders to India.

#### **Failures**

- The British lacked enough man power.
- Seyyid Said was still interested in slave trade.
- France refused and continued with the trade.

### **THE HAMERTON TREATY**

This was second treaty between Col. Akins Hamerton with Seyyid Said in 1845

#### **Terms**

- To end all slave export from Zanzibar
- To limit slave dhows from moving

#### **Failures**

- The Indian Ocean was too big to control
- Language barrier by the freed slaves
- Difficult to identify illegal and legal shows.

### **FRÈRE TREATY**

This was between sir battle Frere and Bargash of the Sultan on 5/3/1873

#### **Terms**

- Sultan was to protect the freed slaves
- To close all Arab slave markets
- Sultan to completely stop slave trade

### **Other slave abolitionists in East Africa include;**

- Dr.David Livingstone
- Sir Samuel Baker

- Fredrick Moir

### **Why was it difficult to stop slave trade?**

- ✚ It was profitable to the chiefs and traders.
- ✚ Many Europeans were still in need of labour.

### **Why Islam took long to be spread in east Africa**

- ❖ Arabs were more interested in trade than teaching Islam.
- ❖ Arabic language was too difficult for the Africans.
- ❖ Arabs were using force to spread it.
- ❖ Most Africans feared to be circumcised.
- ❖ Africans associated Arabs to slave trade.
- ❖ Arabs did not have missionary organization to help in spreading it.

### **Contributions of the Arabs.**

- ✓ Arabs introduced Islamic religion.
- ✓ Arabs introduced new crops e.g. cloves by Seyyid Said
- ✓ Arabs introduced the Zebu cows
- ✓ Arabs introduced the new style of dressing (Kanzu)
- ✓ Arabs introduced the idea of stone building.
- ✓ Arabs introduced the Swahili culture.
- ✓ Arabs urbanized the coastal towns of East Africa.

### **THE INDIAN TRADERS**

The Indians came to exist in East Africa due to influence of the Indian coolies who came to build the Uganda railway.

#### **Indian traders in Uganda**

**Aldina Visram:** He was the first Asian trader to open up a shop in Kampala.

**Muljibhai Madhivan:** He started a large sugar estate in Jinja (Kakira sugar works)

**Naji Kalidhas Mehta:** He started a sugar estate in Buikwe (Lugazi sugarfactory)

### **THE TRADING COMPANIES**

#### **IMPERIAL BRITISH EAST AFRICAN COMPANY (IBEACO)**

IBEACO was formed by a Scottish man William Mackinnon with its headquarters at Machakos in Kenya. Capt. Fredrick Lugard was the IBEACO representative in Uganda.

#### **Contributions of Captain Lugard**

- He restored Kasagama back to his throne.
- He built Fort George in Toro for protection.
- He built Fort Lugard at Kampala hill.
- He helped to settle political and religious problems in Buganda.

#### **Aims of IBEACO**

- To promote legitimate trade.
- To protect missionaries and their work.
- To keep law and order in British colonies.
- To rule East Africa on behalf of the British

#### **Achievements of IBEACO**

- IBEACO helped in stopping slave trade in East Africa.
- It reduced the tribal wars e.g. Akemba and taifa.
- It brought law and order in East Africa.
- IBEACO promoted trade.

### **Failures of IBEACO**

- IBEACO failed to build the railway line for easy transport.
- IBEACO failed to be organized in its duties.
- IBEACO failed to soloist enough funds.

### **Reasons for the failures of IBEACO**

- IBEACO ran bankrupt.
- IBEACO lacked enough skilled labour.
- Constant rebellions/ attacks from hostile tribes.
- Poor transport and communication between Britain and East Africa.
- IBEACO lacked support from its home country

**Qn.** Why did Capt. Fredrick Lugard remain back in Uganda after the collapse of IBEACO in 1892?  
His stay had been funded by the church missionary society (talk about Bishop Alfred Tucker)

### **State the duties for his remain**

- Protecting missionaries
- Stopping tribal and religious wars.
- Protecting Uganda against German influence

### **GERMAN EAST AFRICAN COMPANY (GEACO)**

GEACO was founded by Dr. Carl Peters Jackson the leader of German colonizing society in Tanganyika. Its headquarters were at Bagamoyo (East African Coast)

### **Contributions of GEACO**

- Built the first railway in East Africa called Tanga-Karagwe.
- It promoted trade in Tanganyika

**Qn.** Which person tried to colonize Uganda on behalf of German?  
Dr. Carl Peters

### **Reasons why trading companies withdrew from East Africa.**

- ✓ Shortage of finance (funds)
- ✓ They were inefficient
- ✓ They had completed their work.
- ✓ Trading companies oppressed their subject through taxation, forced labour and land grabbing.

### **Effects of the work of trading companies**

- They led to the partition of East Africa.
- They led to exploitation of Africa resources.
- They led to construction of railways in East Africa.

## **CURRENT FORM OF TRADE**

### **MONETARY TRADE**

Monetary trade is the buying and selling of goods and services with money.

Monetary trade is the exchange of goods and services with money.

### **Advantages of monetary trade.**

- Using money saves time and time is money.
- Monetary trade is easier in paying tax.
- It is less expensive to use money.

## **THE PORTUGUESE RULE IN EAST AFRICA.**

After the return of Vasco Da Gama to Portugal, the Portuguese came and conquered the East African coast.

### **Reasons why the Portuguese were interested in the East African coast**

- The Portuguese wanted to control the indian ocean trade/ coastal trade.
- They wanted to control the spread of Islam by spreading Christianity.
- They wanted to carry out more exploration.
- The East African coast had good natural harbours.

### **Reasons for Portuguese success**

- Their attacks were harsh and full of surprise.
- The Portuguese had strong weapons
- They had a well trained army.
- The Arabs were not united.

### **Reasons why the Portuguese rule failed at the coast (collapse)**

- Portuguese officials were corrupt.
- The Portuguese were harsh and cruel.
- They failed to create a good relationship with the Muslims at the coast.
- The Portuguese lacked enough skilled manpower.
- They were invaded by the Arabs.

### **Results/ effects of the Portuguese rule (good and bad)**

- They introduced new crops e.g. yellow maize, pineapples, groundnuts, sweet potatoes, pawpaws, cassava.
- They built Fort Jesus which is a tourist attraction site.
- They led to the decline of trade at the coast.
- Many people lost their lives during their fights because of constant revolts.
- E.Africa was linked to Europe and India.
- Heavy taxes introduced.
- Hatred between Portuguese and people in E. Africa.
- The Portuguese introduced Christianity at the coast.

**NB.** Prince Henry the navigator built schools for sailors in Portugal

**QN.** In which one way was Fort Jesus of great use to the Portuguese?

### **EXPLORERS**

#### **RICHARD BURTON AND JOHN SPEKE**

- Both men were sent to East Africa by the Royal Geographical society to look for the source of R. Nile
- During their journey they became the first Europeans to see Lake Tanganyika in 1859
- Speke saw Lake Nalubale and he named it Lake Victoria after the queen of England.

#### **JOHN SPEKE AND JAMES GRANT**

- They were sent by the Royal geographical society to come and find the source of R. Nile. They traveled through Tanzania up to Karagwe kingdom where they were welcomed by king Rumanyika.
- Speke left for Buganda and left Grant at Karagwe due to some illness.
- It was on this journey that John Hannington Speke discovered the source of R.Nile.

### **THE BAKERS**

- The phrase the baker means Sir Samuel Baker and his wife.
- They were tracing for the source of R.Nile from the north.
- They met Speke and Grant at **Gondokoro**.
- They went to western Uganda and reached Kamurasi's palace.
- Sir Samuel Baker saw **Lake Mwitanzige** and he named it **Lake Albert** after the husband of Queen Victoria.
- He also discovered Murchison falls which he named after the president of Royal Geographical society.
- He later became the governor of the Equatorial province and built a fort at Patiko.
- Sir Samuel Baker is also mainly remembered for fighting against slave trade in Northern Uganda (Acholi land)

### **DR. DAVID LIVING STONE**

- He was a Scottish doctor who came to Africa in 1841 with the purpose of spreading Christianity.
- He spent so many years in Africa teaching Christianity, treating the sick, exploring and fighting against slave trade.
- His campaign to establish mission stations in Africa resulted into the formation of university mission to central Africa (**UMCA**)

- Due to lack of information about Livingstone in Europe, H.M.Stanley was sent to look for him in 1871. They met each other at Ujiji.
- Livingstone later died in 1873 and his body taken to the coast by his faithful servants Chuma and Susi, then it was shipped to London.
- He was buried at Westminster Abbey in London. He was first European to see Lake Nyasa (Malawi), Mweru, Bangwela, R.Zambezi, R.Limpopo, R.Lualaba.

#### **HENRY MORTON STANLEY**

- He was an American journalist, he made three journeys to Africa. i.e.
- He first came to East Africa in 1871-1872 to look for Dr. David Livingstone whom he met at Ujiji.
- He came back in 1874 to complete the work of Dr. David Livingstone.
- He circumnavigated Lake Victoria to prove whether Speke was right in calling it the source of R. Nile. He wanted to draw sketch map of Lake Victoria.
- His journeys were sponsored by **New York Herald/** New York tribune and daily telegraph of London.
- He visited Buganda and met Kabaka Mutesa I at his capital in Rubaga in 1875.
- He convinced Mutesa I to allow missionaries to come and spread Christianity in Buganda.
- Mutesa I accepted and HM Stanley wrote a letter on behalf of the Kabaka to Britain inviting the Missionaries.
- The letter was taken by De Bellefonds and published in the newspaper called the Daily Telegraph.
- He then went west and saw the **Rwenzori Mountains** which he named **the mountain of the moons**.
- He also discovered and named **Lake Edward** and **Lake George**.
- H.M Stanley was sent to Uganda for the third time to rescue **Emin Pasha** from the Madhist revolt in the Equatorial province.
- He later worked as an administrator in Belgium Congo.

#### **LUDWIG KRAPF**

- He was a German Christian missionary belonging to church Missionary Society.
- He set up the first mission station in East Africa at Rabai Mpya near Mombasa.
- He wrote the first Swahili dictionary and grammar book.
- He also translated part of Bible into Kiswahili.
- He became the first European to see mountain Kenya.

#### **JOHANN REBMANN AND JACKOB ERHARDT**

The two gentlemen joined Ludwig Krapf.

**Johann Rebmann** spread Christianity among the Chagga people and he became the first European to see Mtn Kilimanjaro.

**Jacob Erhardt** attempted to draw the first sketch map of East Africa.

Krapf, Rebman and Erhardt in most cases failed to do their Christian work and resorted to exploration in E. Africa.

#### **DR. FISCHER (1872)**

- He was a German doctor who reached Lake Naivasha from the coast in 1872.
- He became the first explorer to see Lake Naivasha.

#### **DR. JOSEPH THOMSON**

- He was a young doctor from Britain.
- He was sent by the R.G.S to find a direct and short route from the coast to Lake Victoria.
- He became the first European to cross the lands of the Masai and the Nandi successfully.
- He also discovered Mt. Elgon.

#### **COUNT TELEKI**

- He was a Hungarian soldier and scientist.
- He was the first white man to see Lake Rudolf.
- Today Lake Rudolf is called Lake Turkana.

#### **JAMES BRUCE**

He became the first European to see and explore Lake Tana and the Blue Nile.

Effects of explorers

**N.B** A sketch map of E.A showing journeys of European explorers. (pg 130 Mk SST Standard)

### **DR. STEER**

He was a Christian missionary who worked hard among freed slaves at Zanzibar. He created settlement for them and taught skills in building and carpentry.

### **Achievements (effects) of European Explorers in E.A**

- Explorers made Africa to be outside the world.
- Explorers reports encouraged traders to come to East Africa.
- Explorers led to the coming of missionaries.
- Explorers wrote reports which led to colonialism in Africa.

### **Problems faced by early explorers.**

- 1- Language barrier.
- 2- Thick forests and wild animals.
- 3- Hostile tribes and kings.
- 4- Tropical diseases like Malaria.
- 5- Lack of enough supplies like food and medicine.
- 6- Poor transport network.

### **MISSIONARY WORK IN EAST AFRICA.**

A missionary is a person who is sent to teach Christianity to people who are ignorant about it.

The pioneer missionaries in East Africa were from German and they belonged to C.M.S

- Krapf Ludwig
- Jacob Erhardt
- Rebmann
- Fredrick Moir

**NOTE:** Do revision on missionary work in Uganda.

### **Reasons for the coming of missionaries.**

- 1- They came to teach the word of God.
- 2- They came to stop slave trade.
- 3- They came to teach people practical skills.

### **MAJOR MISSIONARY SOCIETIES IN EAST AFRICA AND STATES ESTABLISHED.**

#### **THE CHURCH MISSIONARY SOCIETY**

They established stations at

- Rabai Mpya near Mombasa
- Free town
- Mengo near Kampala

#### **THE UNIVERSITY MISSION TO CENTRAL AFRICA.**

They established stations at

- Zanzibar on Zanzibar islands
- Newala in Tanganyika
- Masasi in Tanganyika
- Magila in Tanganyika.

#### **HOLY GHOST FATHERS**

They established stations at

- Bagamoyo in Tanganyika
- Zanzibar on Zanzibar island

#### **WHITE FATHERS**

They established stations at

- Rubaga in Kampala
- Tabora (kazel) in central Tanganyika.
- Bukumbi near Lake Tanganyika
- Zanzibar on Zanzibar islands.

#### **LONDON MISSIONARY SOCIETY**

They established stations at

- Urambo in Tanganyika
- Ujiji near Lake Tanganyika

## **MILL HILL FATHERS**

They established stations at

- Nsambya near Kampala
- Namilyango near Kampala.

### **Problems faced by early missionaries**

1. Hostile tribes and kings.
2. Poor transport system.
3. Tropical diseases e.g. malaria
4. Poor accommodation facilities.
5. Lack of enough supplies like food and medicine
6. Language barrier.
7. Thick forests and wild animals.

### **Contributions of early missionaries**

- 1- Introduced formal education under the subjects of reading, religious education, writing, arithmetic.
- 2- They introduced Christianity
- 3- They built schools e.g. Namilyango
- 4- They stopped slave trade.
- 5- They introduced new crops e.g. American upland cotton by K. Borup
- 6- They introduced new methods of farming.
- 7- They built hospitals e.g. Mengo hospital.
- 8- They introduced the European cultures e.g. dressing and the food eaten.
- 9- They taught practical skills e.g. carpentry, building and painting.

#### **Note:**

Practical skills in Uganda were taught by Alexander Mackey and these were;

- Carpentry
- Painting
- Building

He also brought the first printing press.

### **USES OF A PRINTING PRESS**

- 1- For printing more bibles.
- 2- For printing prayer books.
- 3- For printing hymn books.

### **NEGATIVE EFFECTS OF MISSIONARIES**

- They taught against the African Traditional Religion.
- They destroyed our African culture.
- They caused religious wars among Africans.
- Their teachings led to the death of the Uganda Martyrs.
- They led to the colonizing of Africa.

### **FAILURES OF MISSIONARIES**

- They failed to eliminate local traditions.
- They failed to unite people.
- They taught religion as a way of colonizing.
- They changed people's culture and traditions.

### **WHY EUROPEANS INTRODUCED CROPS IN EAST AFRICA.**

- They wanted to get money for paying their workers in the colonies.
- They wanted to get raw materials for their home industries.

### **Examples of missionary schools in Uganda.**

- Namilyango
- Nsambya
- Gayaza high
- Sacred heart
- Kings college Buddo
- Kisubi
- Mengo s.s

## **COLONIALISM IN EAST AFRICA**

This is the system where by a country or an area is particularly controlled by a more powerful country.

Pioneer colonialists in east Africa

These came from countries of German and Britain

### **a) JACKSON CARL PETERS**

- ❖ He was a leader of the German colonizing group in German East Africa.
- ❖ He spear headed the colonization of Tanganyika.
- ❖ He was the founder of the German East African company. (GEACO)

### **b) SIR GERALD PORTAL**

- ❖ He helped in signing agreements with the people of Buganda for the British.
- ❖ He was sent to come and give a recommendation of IBEACO in 1892.
- ❖ He hoisted the union jack in 1893 at fort Lugard to replace that of IBEACO.
- ❖ He declared Uganda a British protectorate.
- ❖ He built a fort in Toro called Fort portal to protect the kingdom of Toro from aggressive king of Bunyoro (Kabalega)
- ❖ He also built a fort at Entebbe called Fort Alice which later became the first colonial capital of Uganda.

### **c) SIR HARRY JOHNSTONE**

- ❖ He came to East Africa as a leader of the scientific mission to Mt. Kilimanjaro.
- ❖ He was sent as a representative of the British government in 1899 and he signed the 1900 Buganda agreement on behalf of Britain.

### **d) COLONEL HENRY COLVILLE (1894)**

- ❖ He was the first British commissioner of Uganda.
- ❖ He is remembered for having arrested Omukama Kabalega and Mwanga with the help of Semei Kakungulu.
- ❖ They were later exiled to Seychelles islands in Indian Ocean.

## **WHY EUROPEANS WERE INTERESTED IN COLONIZING EAST AFRICA**

- 1- They wanted to get raw materials for their industries.
- 2- They wanted to get market for their goods.
- 3- They wanted to spread Christianity.
- 4- They wanted to get cheap labour of the Africans.
- 5- Having a colony was a sign of power and prestige.
- 6- They wanted to invest their surplus capital.

## **COLONIAL NAMES**

### **a) A PROTECTORATE**

It is a country protected and defended by a more powerful country.

### **b) A COLONY**

It is a country politically controlled and developed by another one.

Examples are:

- Kenya
- Zimbabwe
- Namibia
- South Africa

### **c) MANDATE/TRUSTEESHIP**

These were the former colonies of Italy and German which were handed over to UN after the 1<sup>st</sup> and 2<sup>nd</sup> World war.

Examples are:

- Togo
- Tanganyika
- Namibia

## **POLICIES USED BY COLONIAL MASTERS**

These were the systems of administration used by colonial master in their colonies.

These included:

- Indirect rule
- Direct rule
- Assimilation rule.

### **a) INDIRECT RULE**

This was the system of ruling where the British used Africans to rule on their behalf.

It is a system of administration where by local chiefs implemented colonial policies on behalf of the colonial master.

### **WHY THE BRITISH USED INDIRECT RULE.**

- 1- It was economically cheap.
- 2- The British lacked enough man power.
- 3- Africans understood their fellow Africans better.
- 4- They wanted to prevent rebellions.
- 5- They never wanted to be blamed in case of any problem.

### **DISADVANTAGES OF INDIRECT RULE.**

- Local rulers' powers were undermined.
- It disunited the people e.g. chiefs and the locals.
- It promoted hatred o the people for their chiefs.

**Note:** The British used indirect rule in Uganda and direct rule in Kenya.

### **b) DIRECT RULE**

It was the system of ruling where by colonial masters ruled their colonies them selves.

It was commonly used by the Germans in Tanganyika and the British in Kenya.

## **FRENCH POLICY OF ASSIMILATION**

This was a system of ruling whereby the Europeans wanted to turn Africans into Europeans in terms of culture.

This was applied by the French and the Portuguese in their African colonies.

### **WHY THE FRENCH USED THIS SYSTEM**

- 1- They wanted uniform administration policies in their African colonies.
- 2- It was economically cheap.
- 3- They lacked enough manpower.
- 4- They wanted to get African allies.

## **METHODS USED TO ESTABLISH COLONIAL RULE (OBTAIN COLONIES)**

- 1- Signing treaties with the local chiefs.
- 2- Through collaboration.
- 3- Force / military attacks.
- 4- Through trading companies.
- 5- Through building lines of communication.
- 6- Through explorers.
- 7- Through divide and rule.

## **SCRAMBLE AND PARTITION OF AFRICA.**

Scramble for Africa was a greedy way European countries used to obtain colonies in Africa.

Partition of Africa was the division of Africa among the European nations.

It started at the Berlin conference of 1884.

## **THE BERLIN CONFERENCE**

This conference was chaired by **Chancellor Otto Von Bismarck**.

It was finalized at the Anglo German agreement of 1886 where Kenya and Uganda were declared.

The British sphere of influence and Tanganyika was the German sphere of influence.

## **RESOLUTIONS GUIDELINES TO THE PARTITION OF AFRICA.**

- 1- Any European country was free to claim land in Africa.
- 2- Once land was claimed it was to be effectively governed and not again claimed by another European country.

- 3- Colonial powers had to stop slave trade in their colonies.
- 4- They had to sign agreement with local chiefs.
- 5- In case of an extension of rule, other European countries had to be informed.

#### **REASON FOR THE SCRAMBLE AND PARTITION OF AFRICA.**

- 1- They wanted raw materials for their home industries.
- 2- They wanted to get market for their manufactured goods.
- 3- They wanted cheap labour.
- 4- They wanted to stop slave trade.
- 5- Love for adventure.
- 6- Need to invest their excess capital in Africa.
- 7- Need for political pride by acquiring many colonies.
- 8- Un employment in Europe due to industrial revolution.

#### **THE ANGLO GERMAN AGREEMENT**

- ✓ This agreement partitioned East Africa into spheres of influence for the German and the British.
- ✓ The line of partition was drawn from the coast to Lake Victoria.
- ✓ The northern part (Kenya) fell under the British and the southern part (Tanganyika) fell under the German.
- ✓ Zanzibar, Pemba, Mafia, Lamu and other coastal towns were to be under the sultan.

#### **THE 2<sup>ND</sup> ANGLO GERMAN AGREEMENT**

##### **HELIGOLAND TREATY 1890**

- ✓ This agreement finalized the partition of East Africa.
- ✓ German recognized the establishment of British protectorate over Zanzibar and Pemba.
- ✓ The Germans obtained the islands of Helgoland in the North Sea in place of Uganda for the British.

#### **EFFECTS OF COLONIALISM IN AFRICA**

- It led to the creation of 50 new states in Africa
- Africans' land was taken by the Europeans.
- It led to the introduction of formal education.
- It led to the exploitation of Africa.
- It led to the introduction of European culture in Africa.
- It led to spread of Christianity in Africa.
- It led to the introduction of foreign languages in Africa.
- It led to the development of transport and communication in Africa.

#### **EUROPEAN COUNTRIES INVOLVED IN THE SCRAMBLE FOR AFRICA.**

- |           |            |          |
|-----------|------------|----------|
| • Britain | • Belgium  | • Spain  |
| • German  | • Italy    | • Turkey |
| • France  | • Portugal |          |

**Note:** There were only two countries on the African continent which were not colonized i.e. Ethiopia, Liberia.

#### **Reasons why Ethiopia was not colonized.**

- It was economically poor.
- It was dry and mountainous
- The people of Ethiopia were united.
- It had strong and determined leaders.
- It had a well standing and organized army.
- Ethiopia was already a Christian country so the trick of teaching Christianity could not work.

There was no slave trade in Ethiopia so the trick of stopping slave trade could not work.

## WHY LIBERIA WAS NOT COLONIZED.

It was a home for freed slaves.

It was economically poor

It had lost very many people to slave trade.

A map showing the partition of Africa.

## HOW AFRICANS REACTED TOWARDS COLONIALISM.

1- Africans reacted in the following ways.

3- Collaboration

2- Resistance/ rebellion

## **THE ROAD TO INDEPENDENCE**

(i) Uganda

(ii) Kenya

(iii) Tanganyika

### **THE ROAD TO INDEPENDENCE (UGANDA)**

#### **Formation of political parties in Uganda**

- The first trade union to be formed in Uganda was the Uganda motor's drivers association.
- In 1947 the Uganda farmers union was formed. It demanded for better cotton prices and the right to own ginneries.
- The Bataka party was formed in 1946 and they demanded a right to elect their own chiefs.

#### **POLITICAL PARTIES.**

In 1921 the LEGCO was formed. Its work was to

- Make laws.

- Advise the colonial government.

The first African Ugandan to join the legislative council were;

- Kawalya Kaggwa son of Apollo Kaggwa representing Buganda.
- Petero Nyangabyaki Akiiki who was the Katikiro of Bunyoro (western)
- Yekonia Zirabamuzale from Busoga.

Later in 1946 Mr. Yekosafati Innyon was appointed to represent northern Uganda.

#### **UGANDA NATIONAL CONGRESS (UNC)**

It was the first political party to be formed in Uganda on 2<sup>nd</sup> march 1952.

The founder of the party was **Ignatius Kangave Musaazi**.

#### **OBJECTIVES OF UNC**

- 1- To struggle for Uganda's independence.
- 2- To unite the people of Uganda.
- 3- To promote democracy in Uganda.
- 4- To promote the economy in the interest of Ugandans.

All the first political parties in Uganda were intended to unite the people of Uganda and demand for their independence.

To day I.K.Musaazi is recognized as a national hero and a father of nationalistic politics in Uganda.

He was buried at Kololo heroes ground.

#### **THE KABAKA CRISIS**

In 1953, the kabaka of Buganda Sir Edward Mutesa II was exiled.

He was exiled by Sir. Edward Cohen to Britain.

He was exiled because he refused the idea of forming the federation of East Africa i.e. (joining the three East African countries politically)

Buganda and Tanganyika rejected the federation because;

- They feared that the white settlers in Kenya would control all resources, trade and activities of the federation.
- The Buganda government feared that the kingdom would be deprived of the special position given to it by the 1900 Buganda agreement.
- Mutesa II demanded separate status for Buganda which meant that he had broken the 1900 Buganda agreement. **(Talk about the Namiembe conference)** pg 152.
