

LORENCIA JUNIOR SCHOOL – NSANGI
PRIMARY SIX
MATHEMATICS RECESS WORK

NAME: _____

SECTION A: (40 MARKS)

1. Add: 6hundreds + 7tens

2. Describe the shaded region in the Venn diagram below

3. Expand 8649 using powers of ten.

4. Subtract: $\frac{3}{5} - \frac{1}{4}$

5. Write 146 in Roman numerals.

6. Subtract 98 from 100.

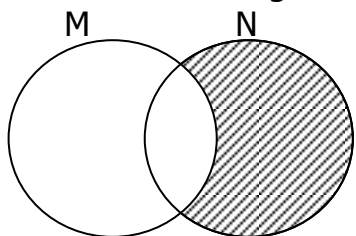

7. Set $A = \{1, 2, 3\}$, how many subsets are in set A?

8. What is the place value of 6 in the number 4689?

9. Divide 1414 by 9.

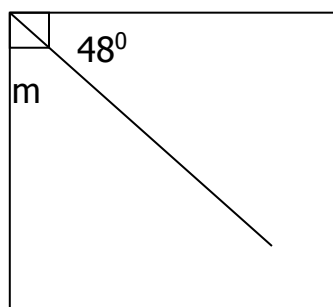

10. Round off 5467 to the nearest tens.

11. Describe the shaded region.

12. John will travel back to school next week. Find the probability that the party will take place on a day that starts with letter S.

13. Find the value of angle marked m.

14. Set P has 31 proper subsets. How many elements are in set P?

15. Write 24020 in words.

16. Convert 34_{five} to base ten.

17. Work out: $4 - 8 + 5$

18. Express XCIX in Hindu Arabic numerals.

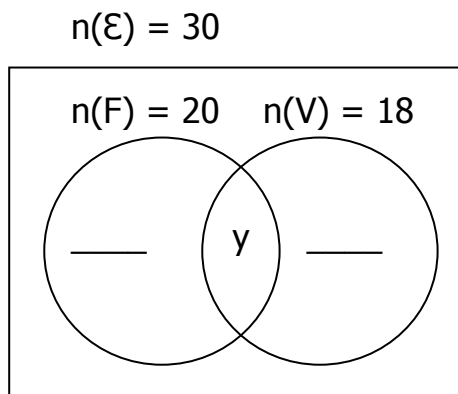

19. Given that set A has 3 elements, find the number of proper subsets.

20. Four books cost Sh. 1200. What is the cost of 6 similar books?

SECTION B: (60 MARKS)

21. In a group of 30 pupils, 20 pupils like football (F), 18 pupils like Volley ball (V) while y pupils like both games.

(a) Represent the above information on a Venn diagram. (2 marks)

(b) Find the value of y . (2 marks)

(c) Find the number of pupils who like only one type of game. (2marks)

(d) What is the probability of picking a pupil who likes all subjects? (2marks)

22. Given the digits 3, 1, 7, 6 and 4.

(a) Form the smallest number using the digits. (1 mark)

(b) Form the biggest number using the digits. (1 mark)

(c) Find the difference between the biggest and smallest numbers formed.
(2 marks)

24(a) Divide 1414 by 7 (2marks)

(b) Share sh. 46200 equally among 24 children. (2marks)

(c) A dozen of books costs shs. 144000. How much will one pay for 9 books?
(2marks)

25. Wasswa scored the following marks in mid-term tests.

Subject	Eng	Maths	SST	Scie	R.E
Marks	70	95	80	70	55

(a) What was the range mark?

(b) Find the median score.

(c) Find the modal mark.

(d) Calculate the mean mark.

26. In a class of 60 pupils, $\frac{2}{5}$ of them maths and the rest like English. (2marks @)

(a) What fraction like English?

(b) How many pupils like Maths?

(c) How many more pupils like English than Maths?

29. Fahad went to the market and bought the following items;

2kg of rice at shs 2500 each kg

$\frac{1}{2}$ kg of sugar at shs 6000 per kg

3 bars of soap at shs 2000 a bar

A tin of blueband at shs 3000

(a) Calculate Fahad's total expenditure.

(b) If he went with shs 20,000, how much did he remain with?

27.(a) Find the number which has been expanded below:

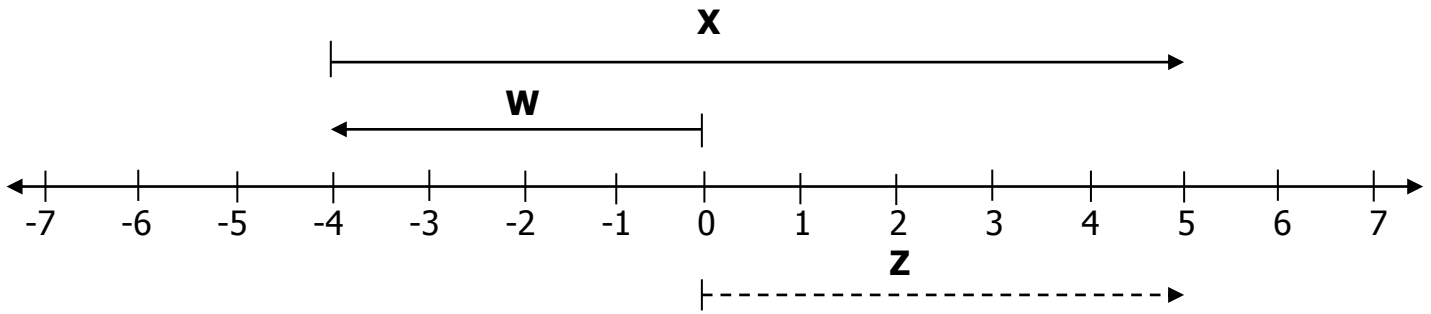

$$(6 \times 10^3) + (4 \times 10^2) + (7 \times 10^0)$$

(2marks)

(b) Find the difference between the value of 6 and the value of 4 in the number 48263?
(2marks)

- (c) Write forty thousand five hundred nine in figures. (1mark)

30.a) Study the number line below and answer the questions that follow: (1mark @)

- (a) Give the integers represented by

W = _____ X = _____ Z = _____

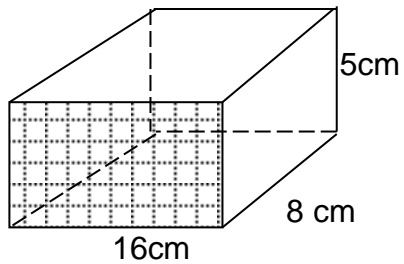

- (b) Write a mathematical statement for the above number line.

30.a) Multiply 6493×25 (2marks)

- b) A taxi trip carries 14 passengers per trip. How many passengers will it carry if makes 9 trips? (2mark)

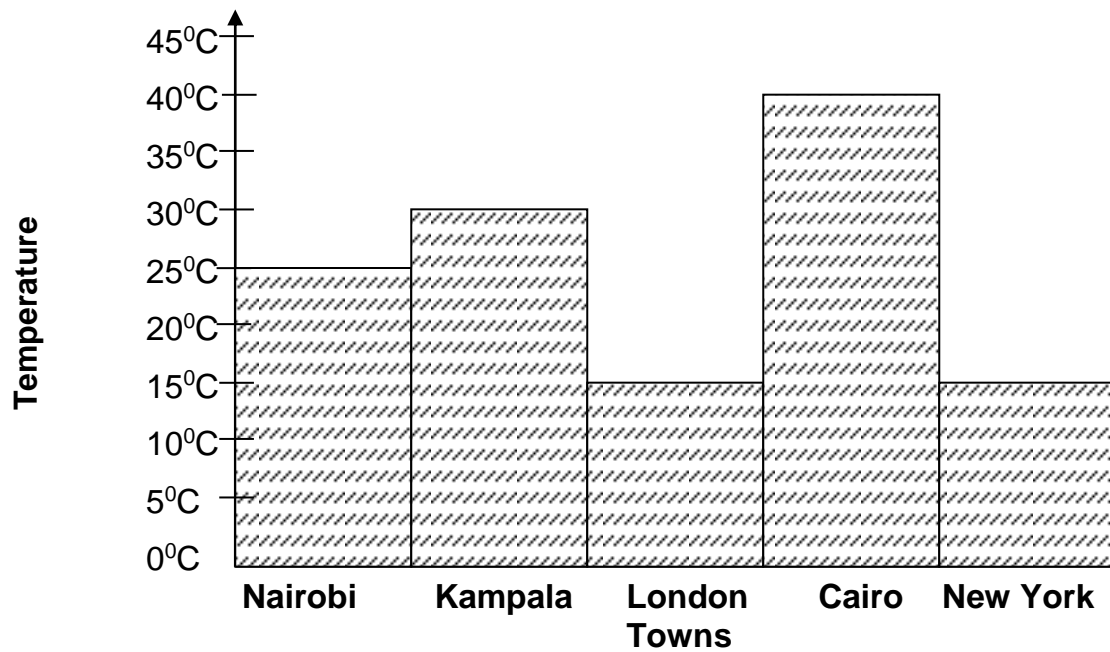

- c) A book costs sh. 1200. What is the cost of 16 similar books? (2mark)

31. Use the figure below to answer the questions that follow

- (a) How many edges does the figure have?
- (b) Find the area of the shaded face.
- (c) Calculate its volume.

32. The graph below shows the average temperature of five towns.

- (a) Which town has the highest temperature?
- (b) Identify the towns with the same temperature?
- (c) What is the temperature of Kampala?
- (d) What is the hottest town?
- (e) Find the total temperature of the five towns.

ENGLISH RECESS WORK

NAME: _____

In questions 1 -10, use the correct form of the words given in brackets to complete the sentences

1. Having _____ the letter, he sealed and posted it. (write)
2. The child has lost all their _____. (diary)
3. The chairperson shouted _____ at the noisy audience (angry)
4. I am the _____ born of my mother (two)
5. The _____ jumped off the moving bicycle. (cycle)
6. Of the two debaters, Okello is the _____ (funny)
7. Roads should be _____ to avoid traffic jam. (wide)
8. The previous speaker did not give any _____ during the debate. (explain)
9. The history which I read yesterday was very _____. (interest)
10. I met a very beautiful _____ in owino market. (Ghana)

In questions 11 – 15 complete the sentences with the most correct word or group of words

11. Maria will go to town _____ bus.
12. _____ raised the first point of order during the debate.
13. Neither Peter _____ Musa arrived late today.
14. The oculist told me to open my _____ before examining them.
15. The debate was so interesting _____ the teacher could not allow us to end it.

In questions 16 to 17, re-write the sentences giving the opposite of the underlined words

16. The motorist humbly talked to the commission for traffic.

17. Mr. Aryan said that my work was complete.

In questions 18 to 20, arrange the given words in alphabetical order

18. smoke, sky, snow, scream

19. oppose, argue, cycle, motorist

20. Aryan, Aary, Anna, Antisha

In sentences 21 to 22, re-write the sentences giving a single word for the underlined group of words

21. The woman who was imprisoned is not guilty.

22. I met my uncle at the place where two roads meet.

In questions 23 – 24, construct sentences using the given words to show that you understand the meaning.

23. here: _____

24. hear: _____

In questions 25 – 26, write the plural form of the given words

25. Seat belt: _____

26. Point of inquiry _____

In questions 27 to 28, write the abbreviations in full

27. A/C _____

28. I've _____

In questions 29 – 30, re-arrange the words to form correct sentences

29. did drive from you why pavement the?

30. was interesting what debate and it!

SUB –SECTION II

In questions 31 to 50, re-write the sentences as instructed in brackets

31. As soon as I swathe speeding car, I waited to cross the road.
(Re-write beginning with Having _____)

32. There is some water in tank. (Re-write using _____ hardly _____)

33. I like children more than adults. (Re-write the sentences using prefer)

34. The president did not attend the meeting. The prime minister did not attend the meeting.
(Join the two sentences beginning: Neither _____)

35. The pupils were very tired. They could not go on with their work.
(Re-write as one sentences using _____ too _____ to_____)

36. I always reach school before 6 o'clock in the morning
(Re-write the sentences using _____ arrive _____)

37. The time keeper said "I will be very strict during the debate"
(Re-write the sentences beginning: The time keeper said that _____)

38. Our school bought a bus. The bus was big. It was yellow and made in china.
(Re-write as one sentence without using which, that or and)

39. The opposers will win the debate, won't they?
(Re-write the sentences ending _____ will they?)

40. Peter is short. Jonathan is very short. (Re-write using _____ shorter____)

41. The mechanic is repairing my uncle's car now.
(Re-write beginning: My uncle's _____)

42. Immediately the cyclist wore the helmet, he set off.
(Re-write using _____ as soon as _____)

43. that is the junction. The accident occurred there.
(Join the sentences using _____ where _____)

44. The carpenter worked very hard. He became very rich.
(Begin: The _____ that _____)

45. Our school bus is very small. It cannot take us all at once.
(Re-write the sentences using _____ enough _____)

46. The proposers spoke good English during the debate but they did not win it.
(Begin: Even though _____)

47. The road leading to Kazo is very muddy. The vehicles cannot move fast. (Re-write using _____ so _____ that _____)

48. The motorist drove his car in a careless way.
(Re-write and end _____ carelessly)

49. Rosette weighs 60kg. Peggy weighs 60kg.

(Join as one sentence using _____ as _____ as _____)

50. A friend in need _____ (complete the proverb)

b). All in well _____ (complete the proverb)

SECTION B

51. Read the passage below carefully and answer in full sentences the questions that follow.

Chan Lau is a ten-year old boy. His father works at the Chinese Embassy in Kampala. He is a pupil in one of the Kampala city Primary Schools.

During the last third term's holiday, Chan Lau and his parents travelled by air to Nairobi. He was very happy to sit once again in an aeroplane. This aeroplane left Entebbe International Airport at nine O'clock in the morning. He sat near the window so that he could look at Lake Victoria and Sese Islands. At twenty minutes past nine, two smartly dressed girls brought some tea and biscuits for the passengers. All the passengers whom he could see took tea and ate the biscuits. However, the man who sat in front of Chan Lau didn't want the tea and the biscuits. He sat quietly reading a newspaper.

At exactly ten minutes to ten, this man suddenly stood up and went straight to the pilot's room. Three other men stood in the middle and at the back of the aeroplane.

Chan Lau noticed that each of the three men had a pistol in his hand. All the passengers remained calm. A few minutes later, Chan Lau heard someone say: "We

the members of KENG-KENG FREEDOM FIGHTERS are now controlling this aeroplane. It must now fly to KON-TIKI Airport and nowhere else. If the pilot disobeys, we shall kill all the passengers and then blow up the aeroplane."

Questions:

(a) How old is Chan Lau?

(b) By what means were Chan Lau and his parents travelling to Nairobi?

(c) Why did Chan Lau sit near the window?

(d) Did every passenger take tea?

(e) What was the man who sat in front of Chan Lau doing?

(f) Why do you think the man went straight into the pilot's room?

(g) Where was the pilot ordered to fly the aeroplane?

(h) Who brought some tea and biscuits for the passengers?

(i) Give another word or group of words with the same meaning as the underlined words.

i) pistol _____

ii) calm _____

52. **The teachers Arrival Book below shows the number of teachers of Ngeye Primary School who reported for duty on 5th March 2020. The school has a total of 19 teachers.**

Study the given information carefully and answer in full sentences the questions that follow:-

NGEYE PRIMARY SCHOOL, LUWERO DISTRICT

The teachers' Arrival Book

Date	Name	Sex	Morning	Afternoon	Remarks
5/03/2020	M. Ssuuna	F	7:15	2:00	Master on duty
"	D. Aguma	M	7:30	2:00	P.7 class teacher
"	S. Kayiwa	M	7:45	A	Sent a medical form to the H/M
"	J. Kuch	M	11:00	A	Gone to town
"	B. Lueth	M	A	2:00	?
"	P. Nalugwa	F	A	2:00	Gone to DEO's office to collect text books.
"	A. Alinda	F	8:00	2:00	Social Studies Teacher.
"	A. Amanywa	F	8:00	A	Her baby cried the whole morning.
"	N. Sebuliba	M	A	2:00	?
"	H. Birungi	F	8:00	2:00	English teacher
"	G. Ntale	M	8:00	3:00	English teacher
"	E. Nakabugo	F	8:00	2:00	Mathematics teacher

KEY:

A – Absent

?– No reason given.

F – Female

M – Male

Questions:

a) In which district is Ngeye Primary School found?

b) Who is the class teacher of P.7?

c) Why was Ms. Nalugwa .P. absent in the afternoon?

d) Where was teacher J. Kuch in the afternoon?

e) Who reported to school late for the afternoon session?

f) Why was Sebuliba absent from school in the morning?

g) How many teachers were present in school for the morning session?

h) How many teachers are not shown in the arrival book?

i) Which teacher do you think was sick in the afternoon?

j) Give a reason for your answer to question (i) above?

-
-
53. **Read the poem below and answer in full sentences the questions that follow.**

A CANDIDATE'S SONG

God will make you the head,
If you do all your best,
Believe in yourself.
He will direct you.

Pray to God all the time,
And He will give you courage,
He has shown us the way,
Till today.

Pray always to start the day,
God helps those who help themselves,
Don't despair, He will keep you too.
Seek wisdom, you will shine.

Refrain from bad company,
Keep good company
Say no to all temptations
That is the way God will help you

Robert.

- a) What is the poem about?

- b) Who is being advised to believe in oneself?

- c) Why should one pray to God all the time?

d) What has God done according to the second stanza?

e) Which kind of people does God help?

f) What will happen if one seeks wisdom from God?

g) What kind of company should a candidate refrain from?

h) How many stanzas does the poem have?

In numbers (i) and (j) give one word or group of words with the same meaning as the underlined words in the poem.

i) courage

j) refrain

54. **Re-arrange the sentences below to form a good composition about the role of the traffic police officer**

- a) Crossing the road in such a manner puts one's life at risk
- b) Their main role is to reduce accidents on the road
- c) The biggest number at risk is the children
- d) Some of the road users know about the road safety rules
- e) This will help reduce accidents on the road
- f) They cross the roads without looking left or right
- g) Traffic officers have a big role to play
- h) Unfortunately, others don't know about them
- i) It is everyone's responsibility to teach children how to cross the road safely
- j) However, this is not easy because they deal with different road users

This image shows a blank sheet of white paper with horizontal ruling lines. The lines are evenly spaced and extend across the width of the page. There are no margins, text, or other markings on the paper.

55. **Read the following passage carefully and fill in the blank spaces with the words given below.**

Although our country _____, is a third-world growing country, we can still do something in order to help _____ the increasing number of accidents on our roads. So many people have passed away in road accidents. It is time to reduce this terrible _____ danger which is spreading throughout Uganda like bush fire!

First of all, we have to know what causes road _____. The main cause is the _____ of drivers who drive their cars without following the road signs and regulations.

These drivers should be tested properly before they are given driving _____.

They should not be allowed to _____ their vehicles or drink alcohol before driving. Vehicles must be properly _____ before they are driven. Spoilt roads should be carefully _____ and widened to reduce the problem of traffic jam. Zebra-crossings should be put in places where many people _____ the road on foot.

carelessness	untimely	reduce	Uganda	accidents
cross	permits	overload	checked	constructed

SCIENCE RECESS WORK

NAME: _____

SECTION A

1. How do hens care for their young ones?

2. Give any one example of chemical changes in the environment.

3. Name the living organisms that live in root nodules of legumes.

4. What are invertebrates?

5. How does regular bathing of the body control the spread of diseases?

6. Which deficiency disease will one get due to lack of iodine in the diet?

7. In the space below, draw a compound trifoliate leaf.

8. Identify any one example of a percussion instrument.

9. What is the gestation period of a sow?

10. Give one example of a flightless bird.

11. What name is given to the young one of a frog?

12. Give one importance of plants in the environment.

13. In which state of matter does sound travel fastest?

14. Which gas is given off by plants during photosynthesis?

15. How are sun birds friendly to crop farmers?

16. Apart from hearing, state any other use of ears to man.

17. How is breast feeding important to the mother?

18. Why are people not advised to use the sharp piercing objects to remove the ear wax?

19. In which way do some reptiles help to control the spread of some diseases to people?

20. Why do earth worms come out of soil during rainy days?

21. Why is a monkey said to be a primate mammal?

22. To which group of musical instruments do guitars belong?

23. Why is a duck billed platypus called a mammal when it lays eggs?

24. How does heat pass through solids?

25. Give one way of making water safe for drinking.

26. How useful are canine teeth to dogs?

27. Convert 25°C to $^{\circ}\text{F}$.

28. How useful are soft pads in the feet of a carnivorous mammal?

29. In the space below draw a foot of a bird of prey.

30. How is the above foot useful to a bird of prey?

31. State the importance of echoes to bats.

32. How are echoes reduced in cinema walls?

33. Which mineral salt is needed for the formation of strong teeth and bones?

34. How is polio vaccine administered to babies?

35. Which form of energy is possessed by a running vehicle?

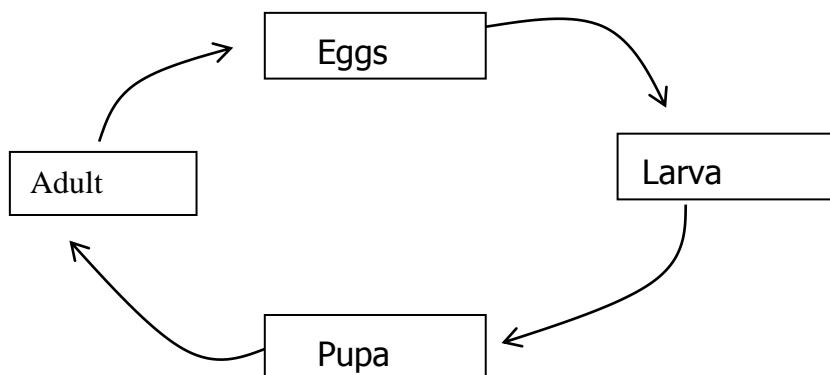

36. Give one importance of scavengers in the environment.

37. Which type of fertilization does the fish undergo?

38. What name is given to the three bones found in the middle ear?

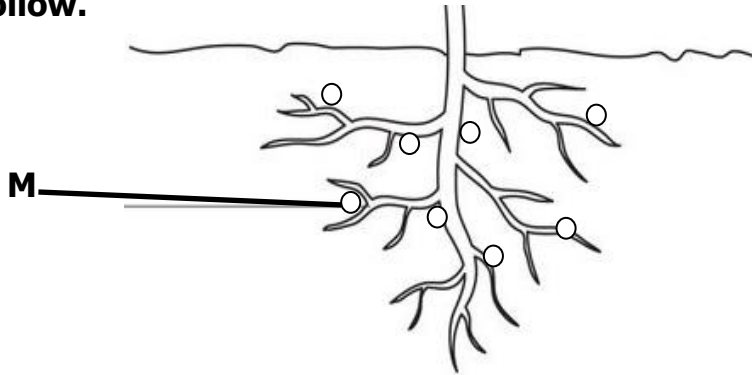

39. Name any one reptile that protects itself by camouflaging.

40. Which type of life cycle is shown below?

SECTION B

41. The diagram shows a type of root. Study it carefully and answer the questions that follow.

- (a) Name the structures marked **M**.

- (b) Which group of plants have this type of roots?

- (c) Identify the organisms found in part **M**.

- (d) Why do farmers include the crops with this type of roots in crop rotation cycle?

42 (a) What is matter?

- (b) In which state of matter does heat travel by conduction?

- (c) State the difference between heat and temperature.

- (d) How does the heat from the sun reach a crocodile basking in the sun on a river bank?

43a) How does a bee produce sound.

(b) What is pitch as used in sound?

(c) Give one way of controlling echoes in halls and theatres.

(d) Name one device used to store sound.

44. What is immunity?

(b) Give one way a person can acquire natural immunity.

(c) How does breastfeeding improve immunity in a child?

(d) Give one common disease which destroys immunity of a child.

45a) What is dehydration?

(b) Give two reasons for giving ORS to a dehydrated person.

(i) _____

(ii) _____

(c) Give one sign of a dehydrated child.

46a) What is pollination?

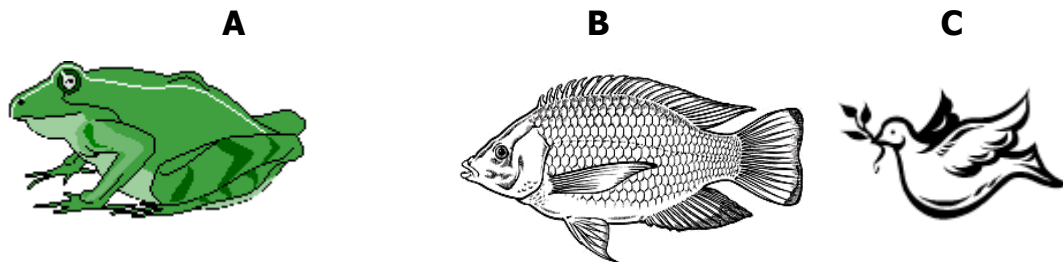

(b) Name two agents of pollination.

i) _____

ii) _____

- (c) Which part of a flower develops into a fruit after fertilization?

47. The diagrams below show different living organisms. Study them carefully and answer the questions that follow.

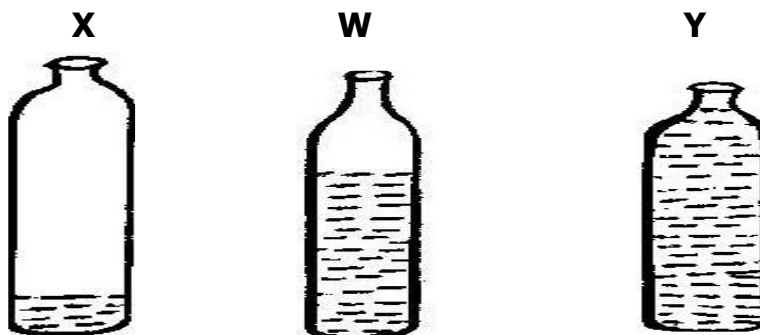

- (a) Which of the above organisms is the odd man out?

- (b) How are organisms **A**, **B** and **C** similar in terms of reproduction?

- (c) Why should you classify all the above organisms as living things?

- (d) Which of the above is warm blooded?

48. The diagram below shows three same size bottles with different amounts of water in each. Use it to answer questions that follow.

- (a) Identify the bottle which produces the highest pitch if air is blown into each.

(b) Give a reason for your answer in (a) above.

(c) To what group of music instruments do bottles belong?

(d) What can you do to bottle X so that it produces the same pitch as bottle W?

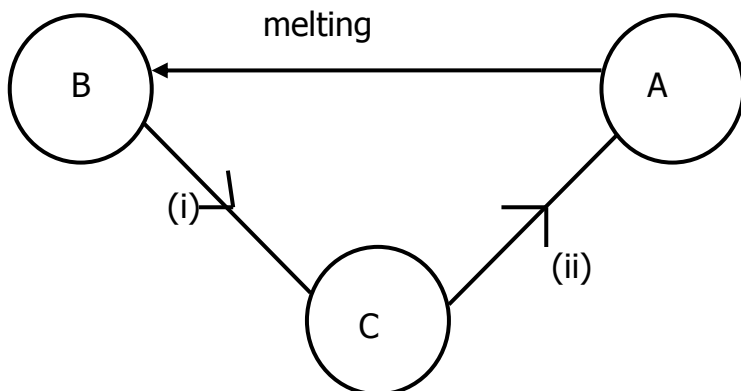

49(a) What are vertebrates?

(b) Identify one vertebrate in the class of reptiles.

(c) Give one characteristic common to all vertebrates.

(d) Besides reptiles name any one class of cold blooded vertebrates.

50. The diagram below shows the three states of matter and how heat passes through them.
Use it to answer the questions that follow.

(a) Identify the states of matter marked:

(i) A _____

(ii) B _____

(b) State the heat processes marked:

(i) _____

(ii) _____

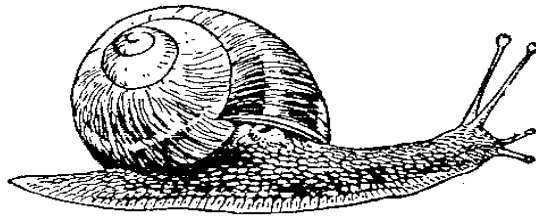

51a) What is the use of a clinical thermometer?

b) Give any one reason why there is a bend in the tube of a clinical thermometer.

c) Which liquid is mainly used in thermometers?

d) Why is the liquid you have named above used instead of other liquids?

52a) The diagram below shows a common invertebrate. Use it to answer the questions that follow.

(a) Name the organism shown in the diagram above.

(b) Under what group of invertebrates is the organism grouped?

(c) How does the organism protect itself from enemies?

(d) State one disadvantage of the above organism to people.

53a) Name one component of the physical environment.

(b) Write down two causes of environmental degradation.

i) _____

ii) _____

(c) Suggest one way of conserving the natural environment.

54. (a) Who are vulnerable groups of people?

(b) Mention two groups of vulnerables.

(i) _____

(ii) _____

(c) In which way can the vulnerables be cared for?

55.(a) How are germs different from vectors?

(b) How is the spread of trachoma similar to that of dysentery?

(c) Name the features on the body of a housefly which enable it spread germs.

(d) State one importance of the larva stage of a housefly.

LORENCIA JUNIOR SCHOOL – NSANGI
PRIMARY SIX
SOCIAL STUDIES RECESS WORK

NAME: _____

SECTION A

1. Name the largest country in East Africa.

2. What is the main source of electricity in Uganda?

3. Name the country in East Africa that lies entirely in the southern hemisphere.

4. Name the river that forms a border between Tanzania and Mozambique.

5. How is Kenya similar to Tanzania in terms of location?

6. Why do soldiers put on uniforms?

7. Give one feature on a map which helps readers to know the actual distance between places.

8. Give one human activity which leads to destruction of wetlands.

9. Which site is well-known for rock painting in Uganda?

10. Give the physical feature shared by Kenya, Uganda and Tanzania.

11. What is the direction of Uganda from Rwanda?

12. Which ministry is responsible for preparing a national budget?

13. State the economic importance of Olduvai Gorge in Tanzania.

14. Give any one reason why Rwanda and Burundi joined the EAC.

15. What is Uganda's national emblem?

16. Why is port Mombasa very important to Uganda?

17. Name the major line of latitude in Uganda.

18. How are the kikuyu and chagga similar in terms of settlement?

19. Who were the founders of Bunyoro-Kitara empire?

20. Give any one disadvantage of an extended family.

21. Who was the first Executive Prime Minister of Uganda?

22. What is the main duty of the Speaker of Parliament?

23. What is meant by the term 'equinox'?

24. Why is nomadic pastoralism common in dry areas of Uganda?

25. What is meant by the term interlacustrine region?

26. Name the current secretary general of the East African community.

27. Give any one source of revenue to a government.

28. How can people in hilly areas keep their soil fertile?

29. Give the main reason why many Ugandans do not travel by air.

30. What is barter trade?

31. Mention one factor which helps vegetation to grow well in an area.

32. Which country lies to the west of Kenya?

33. What is the main work of the Electoral Commission in Uganda?

34. Name one weather instrument which is not kept in the Stevenson Screen.

35. Identify one place in East Africa where snow is found.

In questions 36 to 40, answer EITHER a Christian OR an Islamic questions but not both in one number.

36. **EITHER:** What does a cross remind Christians of?

OR : Name the first woman to be converted to Islam.

37. **EITHER:** Name the man in the Bible, who was swallowed by a fish.

OR : Give one way you can identify a Moslem from other people.

38. **EITHER:** How did sin come into the world?

OR : What is Haram?

39. **EITHER:** Why do Christians fast?

OR : Why do Moslems fast?

40. **EITHER:** What happened on Pentecost day?

OR : What do Moslems remember on Idd-el-Adhuha?

SECTION B

41. Match the tribe in list A with the correct ethnic group in list B.

List A

Acholi
Batooro
Karamajong
Bahima

List B

Hamites
Nilo Hamites
Bantu
River-Lake Nilotics
Semites

- a) Acholi - _____
b) Batooro - _____
c) Karamajong - _____
d) Bahima - _____

42(a) Why is Kabaka Mutesa I remembered in the history of Christianity in Uganda?

(b) Name the first group of missionaries to arrive in Uganda.

(c) Which organization sent the above mentioned group of missionaries?

(d) Give one reason why Kabaka Mutesa I turned against missionaries.

43(a) Who designed the Uganda national flag?

(b) Write the day the month and year when the Uganda flag was raised for the first time.

(c) Which colour on the Uganda flag shows the following?

(i) brotherhood _____

(ii) climate _____

44(a) What are by-laws?

(b) Write LC in full.

(c) How many members form an LCI committee?

(d) Under which ministry are all districts in Uganda?

45(a) Give two ways in which the Red Cross helps the needy in Uganda.

(i) _____

(ii) _____

(b) Name any two other organizations which do work as the Red Cross in Uganda.

(i) _____

(ii) _____

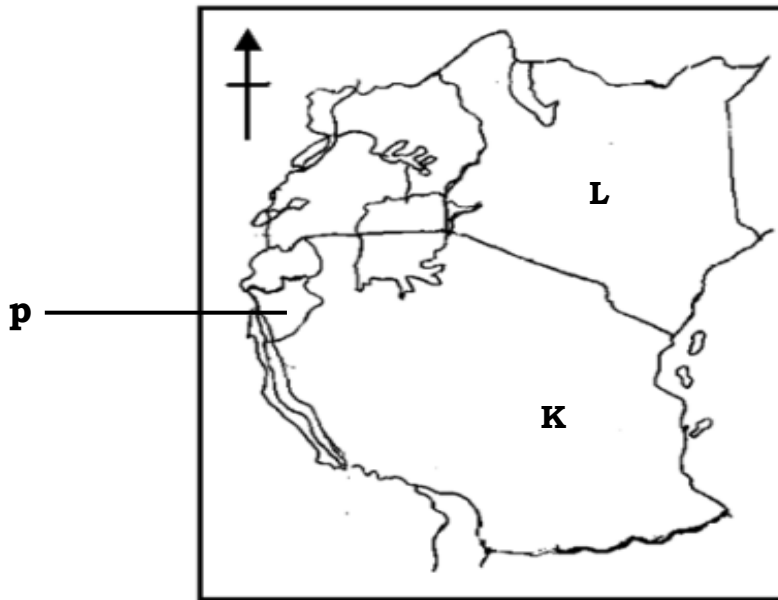

46(a) What is climate?

(b) Give one factor that influences the climate of Uganda.

(c) How does weather affect people's way of dressing?

(d) Give one district in Uganda with semi-desert climate.

47. **Study the map below and answer questions that follow.**

(a) Name the country marked **L** and **K** on the map.

(b) Why can't Uganda rely on country marked **P** for much of her international trade?

(c) Using letter M, show the location of port Mombasa on the map above.

48(a) Give any two ways lakes and rivers are useful to the people of Uganda.

(i) _____

(ii) _____

(b) Why are some rivers of Uganda not used for transport?

(c) State any one danger of living near lakes and rivers.

49(a) What does the term government mean?

(b) State two ways in which democracy is practiced in Uganda.

(i) _____

(ii) _____

(c) Name the first President of Uganda.

50(a) State any one founder member of the East African community that collapsed in 1977.

(b) Name the town where the headquarters of East African Community are located?

(c) State any one symbol of the East African Community.

(d) Who is the current chairperson of the East African Community?

In each of questions 51 to 55, answer EITHER Christianity OR Islam but not both in one number. Any child who answers both will not be given marks.

51. **EITHER:**

(a) Who was the first person to commit sin?

(b) Where was the person named above living?

(c) What punishment was given to the person you named in (a) above.

(d) Give any one result of sin.

OR: (a) What is ablution?

(b) Name two conditions under which a Muslim may use dry ablution.

(i) _____

(ii) _____

(c) Give one material that can be used when performing dry ablution.

52. **EITHER:** State four gospel books.

(i) _____

(ii) _____

(iii) _____

(iv) _____

OR: (a) What is Zakat?

(b) Outline any two groups of people who should be given Zakat.

(i) _____

(ii) _____

(c) Name any one organization which helps the needy in Uganda.

53. **EITHER:**

(a) Why do Christians pray to God?

(b) State one way Christians communicate to God.

(c) Name two ways by which God communicates to his people.

(i) _____

(ii) _____

OR: (a) How do Muslims communicate to Allah?

(i) _____

(ii) _____
