d) How did some children show fear to malaria?

e) Who feared being thirsty?

f) Who prepared for clean teeth?

g) Who of these children is likely to perform well at school?

h) Who was the oldest child in this home?

i) Which children were twins?

j) How did the information above help Mr. Yasa to plan?

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

k) Who was prepared for photographs?

l) Who feared darkness?

52. **Read the passage below and in full sentences answer the questions that follow.**

Every term our school organizes an academic week. During this week, we receive many visitors including our parents. Tomorrow, on Wednesday, we shall begin this term's academic week.

Very early in the morning, we shall arrange all our books in the classroom. The teachers will check for ant errors. We shall then go for revision lessons. This will be in preparation for beginning of term exams.

The day after tomorrow, we shall be practicing some games. The primary seven and six pupils will do football and netball. The primary one and two pupils will practice sack race and dance, and the coaches and referees will be very busy.

On Monday, next week, the school choir will receive their new costumes. All actors and actresses are expected to see that those costumes fit them. The next day they will begin practicing the songs and plays. It is a hard time for conductors and choir teachers.

The real days for the visitors to come will begin from Wednesday next week. The pupils will make sure they present their best. This will make everybody happy by clapping and giving prizes.

The week's activities will end with a concert by the school choir on Saturday. The chief guest, Mrs. Korum, will give a closing speech.

Questions

a) How often is the academic week held in this school?

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

b) Which people are likely to be invited to this occasion?

c) On which day of the week was the above information written?

d) What will be the first activity on Wednesday?

e) How will revision help the pupils in this school?

f) What will the pupils do in order to get prizes?

g) What will the pupils in Primary one prepare for?

h) On which day will the choir prepare their items?

i) What will be the last item for entertainment?

j) How will the guest of honour close the week?

53. **Read the advertisement below and answer questions that follow in full sentences.**

The Wonder Kids are presenting a play called

“ EVERYTHING IS POSSIBLE”

Where: Eclipses Theatre

When: 3rd May, 2023.

At what time? From 2:00pm to 6:00p.m

Okello How much? Adults 10,000, children 5,000

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

Page 7

OSEB Educational Consult -Kampala Oureachservices@gmail.com Tel:+256775787978/0742845900

Questions:

1. Who are presenting a play?

2. What is the name of the play?

3. Where will the play be staged?

4. When will the play be staged?

5. At what time will the play start?

6. When will the play end?

7. How much will adults pay?

8. Who wrote the advertisement?

9. How much will the children pay?

10. How long will the play take?

54. A) **The sentences below are in wrong order. Re-arrange them correctly**
to form a good story.

- i) She picked a ripe yellow mango.
- ii) She washed the mango.
- iii) Vanessa climbed a mango tree.
- iv) She came down from the tree.
- v) Then she ate it.

4. What happened to Emma?

5. What type of food did Emma eat?

6. Who is the owner of the clinic?

7. Where is the clinic?

8. Which part of the body was paining?

9. Why was Emma having pain?

10. How did Esther and Robert help Emma?

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

MATHEMATICS

1. Add: $124 + 36$
2. Subtract: 99 from 100.
3. List the first five even numbers.
4. Set $Y = \{P.O.T\}$. find $n(Y)$
5. What is $\frac{2}{3}$ of 24 books?
6. Share 99 among 3 girls.

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

Page 11

7. Work out: $\frac{7}{9} - \frac{3}{9}$

8. Solve: $k + 4 = 12$

9. Expand 424 using values.

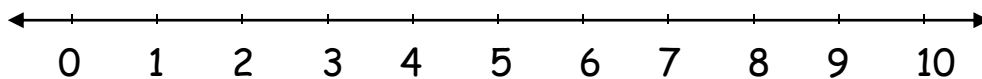

10. Change 3 hours to minutes.

11. Add: $\frac{3}{9} + \frac{2}{9}$

12. How many minutes are in 2 hours?

13. If $A = \{2, 3, 4, 5, 6\}$ and $B = \{1, 3, 5, 7, 9\}$.
List members of $A \cap B$.

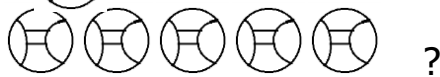

14. Use a **number** line below to add: $3 + 4$

15. Express 35 in Roman numerals.

16. Write two thousand three hundred forty five in figures.

17. If  represents **10** balls. How many balls are represented by

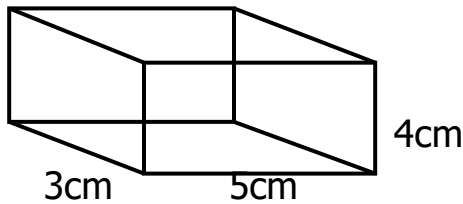

18. Share 20 oranges among 4 boys.

19. In the space below draw a cube.

20. Subtract: $\frac{7}{10} - \frac{4}{10}$

21. Study the figure below.

a) Name the figure.

b) State the number of;

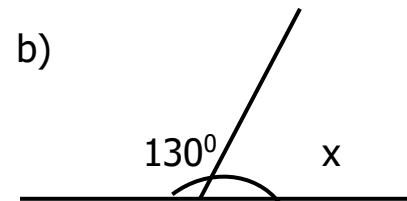

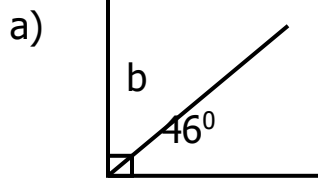

Vertices: _____

Edges: _____

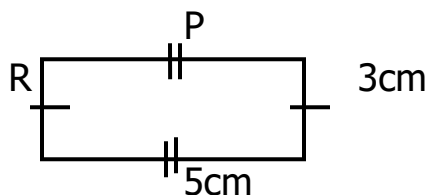

Faces: _____

c) Work out the volume.

22. Find the value of unknown angles.

23. The figure below is a rectangle. Use it to answer questions that follow.

a) What is the value of;

R= _____

P= _____

b) Work out the;

i) Perimeter

ii) Area

c) Draw lines of folding symmetry in the figure above.

24. Using digits 7, 8, 3

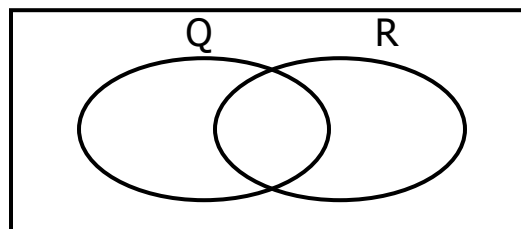

a) Form the largest three digit number.

b) Form the smallest four digit number.

c) Find the sum of the largest and the smallest.

25. Given that set $Q = \{a, b, c, d, e\}$ and set $R = \{a, e, i, o, u\}$

a) Represent the above information on the Venn diagram.

b) Find $n(Q \cap R)$

26. a) Work out: $\frac{3}{9} + \frac{2}{9}$

b) Write the following in words.

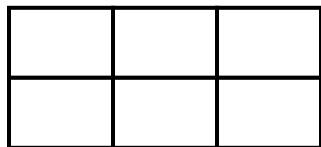

i) $\frac{1}{2}$ _____

ii) $\frac{2}{3}$ _____

iii) $\frac{1}{4}$ _____

iv) $\frac{1}{6}$ _____

c) Shade $\frac{1}{2}$ of the diagram.

27. Draw the following shapes.

i) Cylinder:

ii) Kite

iii) Cuboid

iv) Cone

28. Use either $>$, or $=$ to complete the following;

i) 304 _____ 402

ii) 2×5 _____ 5×2 (1 mk each)

iii) 3 weeks _____ 14 days.

iv) XXXVI _____ LX

v) 1kg of dry leaves _____ 1 kg of meat.

29. Complete the table below; (1 mrk each)

Weeks	1	2	3	—	—	6
Days	7	—	—	35	56	—

30. Use the price list below to answer questions.

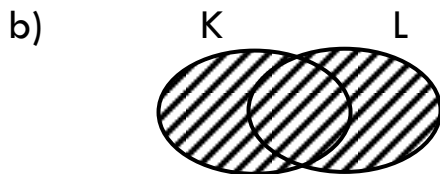

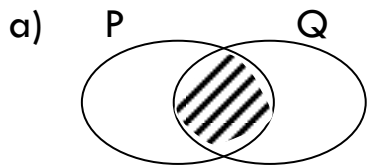

Item	Price
A book	Sh. 800
A bag	Ah 5,000
A pen	Sh. 600
A ruler	Sh. 500

a) Which is the most expensive item? (1mk)

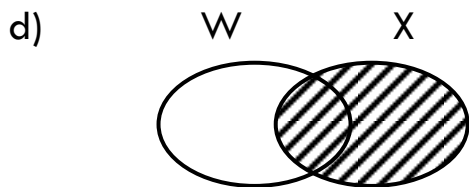

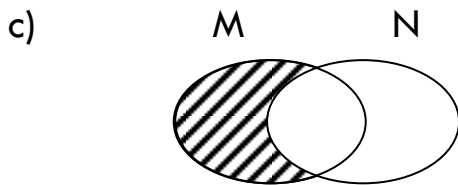

b) Find the cost of 2 books and a bag (2 mks)

c) Find the total cost of the above items (2mks)

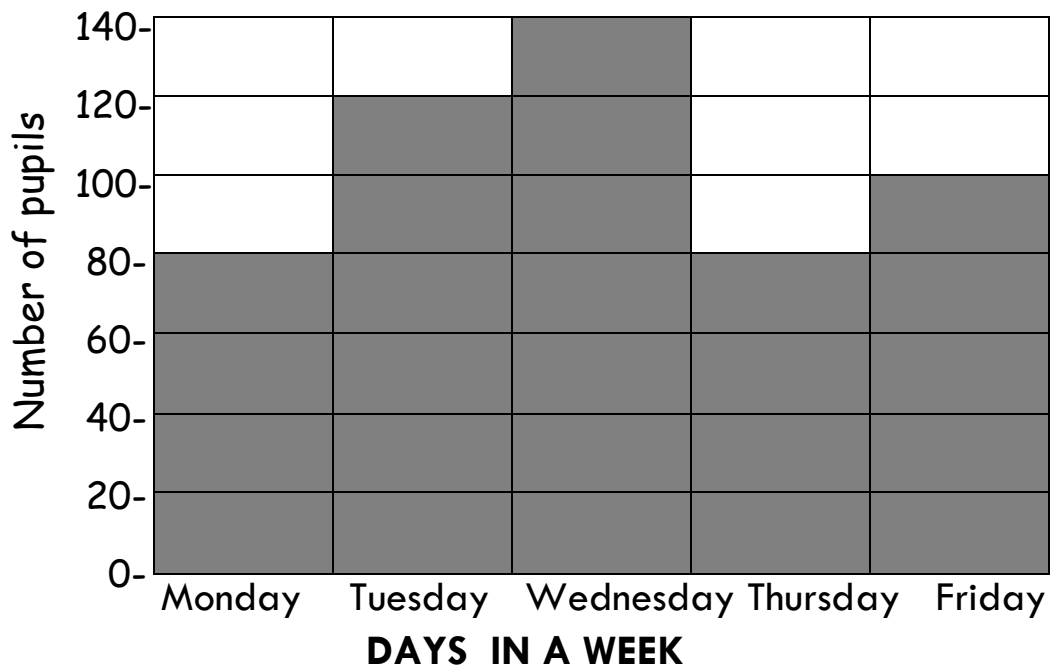

31. Describe the shaded parts of these Venn diagrams.

(1mk each)

32. The graph below shows the attendance of P.4 pupils during a certain week. Use it to answer questions that follow.

- Which day had the highest attendance? (1mk)
- Which two days had the same attendance? (2mks)
- How many pupils were present on Tuesday and Friday altogether? (2mks)
- Calculate the total attendance for the whole week. (2mks)

INTEGRATED SCIENCE

1. Give **any** one example of food eaten in our locality.

2. Where does a female anopheles mosquito lay its eggs?

3. Which structures on a housefly are used for carrying germs?

4. How are stomata useful to plants?

5. Give **any** one type of weather.

6. Give any one set of teeth.

7. What is wind?

8. Give one importance of wind.

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

Page 21

OSEB Educational Consult -Kampala Oureachservices@gmail.com Tel:+256775787978/0742845900

9. State the sense organ for hearing in the human body.

10. Write down any one way in which the spread of malaria can be controlled.

11. Name one process which takes place in the leaves.

12. Which bird in the environment sucks nectars from flowers?

13. What is the role of the lungs in the human body?

14. What is weeding?

15. Give one example of weed.

16. Give any one disadvantage of weed.

17. What is pest?

18. Give one example of pest.

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

Page 22

OSEB Educational Consult -Kampala Oureachservices@gmail.com Tel:+256775787978/0742845900

19. Name the best soil for making pots.

20. Give **one** advantage of regular brushing of our teeth.

21. What name is given to the instrument used for detecting germs?

22. Write one item used for combing our hair.

23. Mention one source of water in the environment.

24. Name the best food for babies less than one year.

25. Name the type of family where there are parents and their biological children.

26. State any one way in which mulches maintain soil fertility as a crop growing practice.

ii) _____

43. a) Write down the two types of germination in the flowering plants.

i) _____

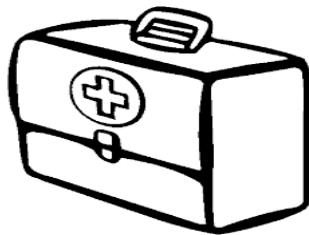

ii) _____

b) Mention any two conditions needed for germination to take place.

i) _____

ii) _____

44. The diagram below is of a first aid box. Use it to answer question 44.

a) What is the importance of the above tool to a first aider?

b) Apart from gloves, mention any two other items found in the first aid box.

i) _____

ii) _____

c) What is the use of gloves in the giving of first aid?

45. a) Mention any two insects which are useful in the environment.

i) _____

ii) _____

b) Give any two characteristics of insects.

i) _____

ii) _____

46. Name any two examples of natural and artificial sources of energy.

a) Natural sources of energy

i) _____

ii) _____

b) Artificial sources of energy

i) _____

ii) _____

47. a) Write down any two uses of rainfall to man.

i) _____

ii) _____

b) Spot any two dangers of rainfall to man.

i) _____

ii) _____

48. Suggest four ways of keeping our bodies clean.

i) _____

ii) _____

iii) _____

iv) _____

49. Write down the 4F's in their order.

i) _____

ii) _____

iii) _____

iv) _____

50. a) Mention the deficiency disease caused by lack of the food values below:

i) Lack of proteins: _____

ii) Lack of carbohydrates: _____

iii) Lack of Vitamin C: _____

b) Apart from sun, name any other source of vitamin D.

51. a) Suggest two ways you can promote personal hygiene.

i) _____

Learners are requested to attempt every question given in this package, no question should be left un answered. Enjoy your holidays with our quality services.

Page 28
